Dear Mr. Bell,

As the Foundation enters its 28th year, we are still amazed at the caliber of our students and the caring hearts of our donors. The Foundation has reached new heights in fulfilling our mission to change lives through student scholarships and quality educational programs. It is with your generous donation that the Aldine Scholarship Fund and Lone Star College Foundation provided scholarships to deserving students. Letters for you from your scholarship recipients are enclosed to thank you for your investment in them.

Your investment supports students at the largest institution of higher education in the Houston area and one of the fastest-growing community colleges in the nation. Not only great in size, LSC is a key driver and growing contributor to the local and regional economy.

Founded in 1991, the Foundation has provided over \$14 million in scholarships to nearly 14,500 students, as well as more than \$6 million in program support since its inception.

It is because of generous and caring community partners, like you, that we can continue to expand our mission of changing lives, strengthening programs, and building communities. Thank you so much for your support of Lone Star College Foundation and we hope to see you at our 28th Annual *StarGala* on May 4, 2019!

Sincerely,

Nicole Robinson Gauthier, CFRE
